RE: 95 George Street – Addition and Exterior Alterations

Dear Steve:

The Saratoga Springs Preservation Foundation reviewed the revised plans for the proposed L-shaped addition on the east and north façades of 95 George Street.

The Foundation appreciates the owner and architect addressing the concerns that were raised in its letter dated May 2, 2018. The revised design is an improvement and the Foundation has no further comment.

Thank you in advance for your thoughtful consideration.

Sincerely,
