Dear Lindsey Connors,

My wife Carol and I really don't have a dog in this fight. Our townhouse in Waters Edge is not on Kaydeross Park Road. We have been seasonal residents for the past 28 years and unfortunately are unable to attend Thursday January 4th meeting. We do realize however what this project and the change to the traffic pattern will do to the Waters Edge Community. Put simply, the damage created by the increased volume of traffic will change dramatically the quiet lakeside atmosphere and secluded village feel to our neighborhood. It also speaks to the increased dangers to the normal pedestrian traffic, our pets and our children. Why would rear access to Kaydeross Park Road from Julian's Way be important to a resident of the Belmonte Arrowhead Project who has no right to the amenities and lake access of The Waters Edge Development? We are not talking about a fire escape!
