RE: Application for Special Use Permit, 66 White Farms Road

Dear Mr. Van Wagner and Members of the Planning Board,

I reside at 14 Geysler Road with a property line that is adjacent to the East of the property located at 66 White Farms Road.

I am married with three children ages 14, 10 and 8 and have been negatively impacted by the past activities that have taken place at the 66 White Farms Road residence. Although the past commercial type of activities are not being considered for the application, we have had the unfortunate experience of witnessing firsthand how a commercial endeavor at this property can negatively impact the adjacent properties.

A bed and breakfast is not in union with the family neighborhood atmosphere in this area and will negatively impact those in the immediate vicinity. I therefore oppose the application for the proposed bed and breakfast and ask that you deny the applicant a permit for this type of use for the safety of those families living closest to this property.

Thank you for your consideration.

Sincerely,

Deana Signor
