Re: 30 Slade Rd proposed property

We (Patrick + Karen Donworth), are requesting a waiver on the sidewalks for the above address.

Slade Rd. does not appear to be a walkable alternative to Rt. 29. Also, Mr. Hendrikson, in the corner of Slade Rd + Grand Ave will not allow the trees to be removed <sup>from</sup> his property as they provide privacy. In ~~the~~ no place does the proposed lot come in contact with Grand Ave.

The Grand Ave portion of the proposed sidewalk would come within 20' of his front porch. Mr. Hendrikson will not allow this.

We respectfully request a waiver on the sidewalk portion of the plan.

Sincerely,  
Karen Donworth  
Patrick Donworth
