To the Planning Board,

This is to register opposition to the creation of two substandard lots from the existing property at 139 Grand Avenue.

Last year's decision on the same property was:

"The Planning Board's consensus is that the parcel should remain intact and not be subdivided." Furthermore, it said the "relief proposed is substantial and would create 2 substandard lots."

Both lots are still substandard and, once again, I request the Planning Board not to grant a subdivision to this Historic District property.
