TO: The Planning Board

RE: Subdivision of 139 Grand Ave

I am a neighbor of 139 Grand Ave and I continue to oppose the subdivision of 139 Grand Ave.

Last October 24, 2017, the Planning Board opposed subdividing this historic lot into two substandard sized lots. The Planning Board determined the "relief proposed is substantial and would create two substandard lots", noting "The Planning Board's consensus is that the parcel should remain intact and not be subdivided."

I ask the Planning Board to once again not grant this proposed subdivision, and not allow this historic lot to be subdivided into two substandard sized lots.

Thank you,
Colleen Morgan
