

Request For Ice Fee Waiver

Good Morning,

On [December 14th](#) the Saratoga Springs Firefighters will be playing against the Saratoga Springs Police in our annual charity hockey game. The hockey game is being played to benefit the Franklin Community Center in their toy collection efforts for children within Saratoga Springs this [Christmas](#) season. I am requesting a fee waiver for all associated fees with usage of the Weibel Ice Rink and fees associated with ice time. The waiver of these fees would allow us to donate 100% of all monetary donations from the game to the Franklin Community Center to better support their efforts.

Thank you for your time,

Christopher Stewart
