The rules regarding public input depends on the type of application before the Planning Board.

SEQRA and SUP: The Planning Board reserves the right to allow public comment as deemed necessary. The total duration for all public comments should not exceed fifteen (15) minutes with each individual speaker limited to a total of two (2) minutes.

SP and SD: The Planning Board is required to conduct a public hearing with proper notice to all neighbors residing within 250 feet of the project. Each individual speaker will be limited to a total of fifteen (15) minutes. Individuals may not donate their allotted time to other speakers.

Public input will occur after the applicant has presented the project to the Planning Board. Public input is limited to two (2) minutes for public comment and three (3) minutes for public hearing. Be concise, it's OK to speak for less than the time limit.

For all applications: Speakers providing public input will be timed to ensure compliance. Applicants' initial presentation to the Board will be limited to 15 minutes.
