SARATOGA SPRINGS PLANNING BOARD - GUIDELINES FOR PUBLIC INPUT -

The Planning Board reviews a wide variety of applications and its primary responsibilities include four land development decisions including New York State Environmental Quality Review (SEQR), Special Use Permit (SUP), Site Plan (SP) and Subdivision (SD).

The rules regarding public input depend on the type of application before the Planning Board.

SEQR and SP: The Planning Board reserves the right to allow public comment as deemed necessary. The total duration for all public comments should not exceed fifteen (15) minutes with each individual speaker limited to a total of two (2) minutes.

SUP and SD: The Planning Board is required to conduct a public hearing with proper notice to all neighbors residing within 250 feet of the project. Each individual speaker will be limited to a total of three (3) minutes.

For all applications: Speakers providing public input will be timed to ensure compliance. Applicants’ initial presentation to the Board will be limited to 15 minutes.

GENERAL GUIDELINES FOR SPEAKERS:

Planning Board members are volunteers appointed by the Mayor to serve seven-year terms. Each member has a single vote and a quorum (4 or more members) is required to vote on an application.

- All meetings are video recorded and webcast; please provide public input in a respectful manner.
- Public input will occur after the Applicant has presented the project to the Planning Board.
- Speak clearly into the microphone and state your name and address.
- Speakers will be timed – two (2) minute limit for public comment and three (3) minute limit for public hearing. Be concise, it’s OK to speak for less than the time limit.
- Individuals may not donate their allotted time to other speakers.
- Face the Planning Board at all times, do not engage in direct discussions with the audience.
Do not repeat points made by previous speakers.
No laughing, heckling, speaking or clapping from the audience.
Comments to the Board should specifically relate to the application under consideration and be directly relevant to the evaluation criteria.
It is best to identify a designated speaker to summarize comments from multiple individuals.
Written comments will be distributed to the Board and made part of the public record.
Please note that the Planning Board has no jurisdiction over code enforcement.

The Planning Board appreciates meaningful and thoughtful input from the community.
