Field User Agreement Changes

User Group Applicants will be either City or Non-City.

Cancellations notification changed from ten business days to fourteen days.

Maintenance:

Section Added:

The City shall maintain the fields throughout the season as weather and use allows. During the Licensee's regular and playoff season, the City shall prepare and line the fields for the games. The City only lines fields Monday through Friday. If consecutive games will be played on the same field, then the City shall only line the field for the first game of the day. If the Licensee desires to have a field lined on a weekend and/or outside the normal regular and playoff season, the Licensee shall submit the request a minimum of 3 days prior to the event for the Department of Public Work's approval. If the request is not granted the Licensee is responsible for the lining and prepping of the field.

Section Deleted:

~~The City shall mow and weed-whack the fields one (1) time per week throughout the season as weather and use allows. The licensee shall be responsible for preparing of fields such as raking and lining of infields and painting of athletic lines. The Licensee shall be responsible for providing the following approved products to perform said responsibility; field athletic paint and chalk and game saver. No other products should be used without prior permission from the Department of Public Works.~~

Payments will be paid upon approval of scheduled activity instead of monthly.
