## November 30, 2021

**Title: Discussion and Vote: Approval of Introduction to Ice Promotion**

### **Summary:**

In the spirit of the Olympic games, the Recreation Department is looking to do a promotion for the kids in the Introduction to Ice Skating program. This promotion would allow the approximately 180 participants to color an Olympic page and return it to the Ice Rink. Upon receipt of the picture the Introduction to Ice participant would receive a pass for Open Public or Family Skate, value ranges from \$4-\$5. If all 200 kids participate, the value would range from \$800.00 to \$ 1,000.00. This pass does not include skate rentals. This would hopefully increase attendance during Open Public and Family Skate.

Kids who participate will have their art work displayed at the ice rink and receive one pass for Open Public or Family Skate, the value ranges from \$4 to \$5.

The Department does not expect the redemption to exceed the previous City Council approved maximum value.
