Field Request

The Saratoga-Wilton Warriors is requesting a discounted rate. They are a new Association of the New England Youth Football League and their teams will be for kids in grades 3 - 6. This is a tackle league with many associations in neighboring towns, such as Stillwater, but this season will be the first season for our team. The organization requested to practice at Willard J. Grande Memorial Recreation Field (North Side) M-F from 5:00 pm – 7:00 pm from [August 1st](#) through the end of October and to have games on Sundays at East Side Rec from 10:30 – 3:00.
