From the Saratoga Springs Recreation Department

Skate Park Public Forum East Side Fieldhouse Monday, June 20th @7pm

In recent months the Skate Park at East Side Rec has experienced an uptick in vandalism which could jeopardize the near \$450,000 Skate Park renovation project proposed for 2023. The Saratoga Springs Recreation Department invites you to a call-to-action meeting scheduled for June 20th at 7pm at the East Side Field House.

Skaters, parents, neighbors and businesses who have an interest in keeping East Side Rec a beautiful, safe place to play are encouraged to attend. Your input is needed, so please join to learn about what has transpired and how we as a community can work together to ensure the Skate Park will be ready for such an investment.
