Proposal Abstract - please provide a brief overview of your proposal including the number of persons that will be served with this grant in the space below:

The focus of this activity is to serve the disadvantaged Saratoga Springs High School students enrolled in the Saratoga Springs Sponsor A Scholar Program by providing them supervised bus transportation to scheduled college presentations, campus tours and interviews with college admissions. There are currently 29 kids enrolled in the 2011-2012 program. We proudly graduated our first class last June and 8 kids are in college – one at St. Lawrence on a full scholarship! SSAS strongly feels campus visits is a crucial part of this process.

Please respond in writing to each of the following (add additional pages as necessary):

1. **Activity Description**
   Provide a detailed description of your proposed activity. In this description, provide responses to the following items:

   A) **Identify whether the activity is new, ongoing, or expanded from previous years.**
      **ONGOING:**
      Increasing Saratoga Sponsor-A-Scholar students exposure to college through campus visits and presentations, has been an integral part of the SSAS organization’s mission since the organization was founded by community leaders and the Saratoga Springs School District 3 years ago. In the organization’s first three years, the students have been given exposure to college through an in-kind donation of time and resources from Skidmore College. Skidmore College helped to found SSAS and has hosted a series of college information workshops, study skills workshops and other visits to the Skidmore campus for the SSAS students. The college has made a commitment to host a series of workshops each year for SSAS juniors. There will be 29 students in the program in the 2011-2012 school year. SSAS wishes to expand the program’s group trips to more area campuses. Students will be bused to the area college presentations during morning school hours to insure that all students attend. (Please see the attached activity list). To reserve the buses including gas and chaperones is approximately $100-$250.00 per outing depending on a number of variables, (distance, tolls, cost of gas...).

   B) **Describe the community need that your activity is intended to address and how your activity will address that need.**
      Provide evidence that this need is currently not being addressed through existing programs or activities. Saratoga Sponsor-A-Scholar was created to serve low income high school students who want to go to college, but lack the confidence, the funds and the family support to get there. While the disadvantaged students in this low-income population may get help when they are young through organizations like the Saratoga Mentoring Program, once they age out of those programs, they have no extra support unless they get into trouble with drugs, alcohol or break the law. Until SSAS was founded, there was no program in the community to provide them with increased access to college and solid goals for their future. Saratoga Sponsor-A-Scholar gives these students a support system that includes weekly tutoring, an adult mentor and help with the college application process. The group bus trips to college campuses are part of that support system bringing them in contact with the college representatives, who will speak specifically to the students about their concerns. The one-on-one time solidifies their confidence and capabilities, helping them reach goals they did not think possible.

   C) **Identify who will benefit from the proposed activity.**
      **If the activity is designed to benefit:**
      C-1) individual persons of low-to moderate-income, describe the process you will use to identify these persons and determine their income eligibility and the number of persons you expect to serve.  
          NA
      
      C-2) the inhabitants of a predominantly low-moderate income area, identify the Census Block Group in which the activity is located.  
          NA

      C-3) designed to benefit a low-moderate income “limited clientele”, identify the “limited clientele” group.
      Students in the Saratoga Sponsor-A-Scholar program must be eligible for federal assistance through the free and reduced lunch program at the high school, have at least a 75 grade point average at the high school and be motivated to succeed. They are nominated by teachers and guidance counselors and go through a rigorous process which includes an interview with the student and parents. They are selected by the SSAS Academic Coordinator, Brady Crary, who is also a Guidance Counselor at the high school, on the basis of their potential to benefit from the SSAS curriculum. SSAS hopes not only to help the students and their families, but the Saratoga Springs community as well, for these young people are likely to come back to the Saratoga Springs after college and contribute to the economic fabric of the community.

   D) **Identify your performance goals and the types of indicators you will use to document activity accomplishments and success.**
      *(Examples: # of persons with new/improved access to services, # of affordable houses rehabilitated, etc.)*
      The goal of Saratoga Sponsor-A-Scholar college presentations is to address the challenges of college access for these students who, unlike students from middle class families, may have no knowledge of college and expectation they will ever be able to attend, let alone graduate from college. These presentations will compliment the SSAS program’s weekly academic tutoring, professional SAT training as well as assistance with college applications and raise these students’ aspirations, help them to navigate the college admissions process and ease their initial transition to college. Contact with professors, teachers, academic advisors and low income students like themselves who are attending college will demystify college and make it a realistic possibility for them. The SSAS students must maintain B average and attend mandatory weekly study sessions, individually meet with their mentor and attend tutoring classes. SSAS successfully sent 8 seniors to college this year, it’s first graduating class!
E) Provide an activity timeframe/schedule (include start, completion dates, and other significant performance stages). The bus trips, which cost approximately $100-$250 each, are scheduled during the school year, both in the fall and in the spring. This would apply for 2012/2013. Please see attached transportation receipts used as estimates for upcoming outings.

F) Identify whether the activity requires additional local, state or federal approval (license, permit, design/historic/environmental review, etc.). For construction/site development projects, provide evidence of site control.

NA

2. ORGANIZATIONAL CAPACITY
A) Provide an overview of your organization including length of time in existence. List current officers and board members and identify any prior funding by the City of Saratoga Springs (year, activity, and amount).

The SSAS program is a replica of a proven program, Capital Region Sponsor-A-Scholar, which has served students in Albany, Schenectady and Troy since 1996. Capital Region Sponsor-A-Scholar’s success rate in retaining and graduating students in high school and subsequently getting them to attend college is documented at an outstanding 96%. SSAS inducted its third group of scholars last June. There have been notable improvements in the grades and confidence of the students from the first group of scholars, inducted in 2008. Thirteen this semester have made honor roll...Our first graduating class of 9 accepted their diplomas in June 2011. All have been enrolled successfully at college. Gabrielle Batista was accepted to St Lawrence University on the Presidential Diversity Scholarship for $30,000! The SSAS program is fully confident that its success rate in retaining scholars in high school, graduating and getting them into college will match the success of Capital District Sponsor-A-Scholar.

B) Describe your organization’s experience in successfully conducting this type of activity. Identify any skills, current services, or special accomplishments that demonstrate your capacity for success.

The SSAS organization is thrilled to have an increasing pool of mentors with various academic backgrounds, eager to volunteer their valuable time and services to guide these students toward their goal of college. It is a great milestone now that our first class of 9 graduated in June (2011), demonstrating that this was a need that is now being addressed and it is attainable with the community’s support.<9th graduate has moved away>

C) Identify the person(s) responsible for program and financial management of the activity. Identify all other persons involved in this activity noting whether these positions are current or new, pending this award. For construction/site development projects, identify the development team including proposed contractors, subcontractors, and project manager.

The college presentation trips* and tutors will be arranged by the SSAS Academic Coordinator, Brady Cray. SSAS Founding Board Member, Pat Titterton works along with Brandy, giving guidance, assistance and research development. Jim LaVigne, Volunteer Acting Executive Director, handles the financial management.

*(Two mentors of SSAS students will accompany the students on bus trips as chaperones.)

D) Identify any other agencies/partners involved in this activity and define their roles and responsibilities. NA

3. ACTIVITY BUDGET - (ATTACHMENTS 1, 2)
A) Include attached budgets (Attachments 1, 2) as appropriate. Depending on the activity, the applicant may need to submit one or both of the attached budget forms. More detailed budgets may be attached (and are recommended) in support of the proposal. If an architect, engineer, or other personnel have conducted a cost analysis, attach a copy noting the author and date of analysis.

- PROGRAM OPERATING BUDGET (Attachment 1) - for all proposals including public service projects and construction/site development projects

ATTACHED

- CONSTRUCTION/SITE DEVELOPMENT BUDGET (Attachment 2) - for construction/site development projects

NOT APPLICABLE

B) Identify the amount and sources of leveraged funding for this activity. Include the status of these funds (i.e. cash on hand, grants received, planned fund-raising, etc.). Attach copies of funding commitment letters or other evidence of funding support.

ATTACHED

4. MONITORING OF FEDERAL FINANCIAL ASSISTANCE TO SUBRECIPIENTS - (ATTACHMENT 3)
The City of Saratoga Springs is responsible for ensuring that subrecipients expend awards in accordance with applicable laws, regulations, and provisions of contracts and grant.

A) In accordance with OMB Circular A-133, please complete Attachment 3 and include it with your application.

B) During your last fiscal year, if your organization expended more than $500,000 in total federal financial awards (including CDBG and all other federal assistance), please include a copy of your latest Single Audit Report with this application.

SUMMARY OVERVIEW

Saratoga Sponsor-A-Scholar (SSAS) requests $1000.00 for the following activity: To fund school busses to take the students (29) in the program on group orientation sessions at college campuses within a days driving distance of Saratoga Springs.

The SSAS Program, founded in 2008 by community leaders in partnership with the Saratoga Springs High School, seeks to help disadvantaged students at Saratoga Springs High School finish high school and graduate from college. Each year Saratoga Sponsor-A-Scholar selects 10 sophomores, all low income, many from minority and first generation families. The program provides them with mentors, weekly academic tutoring, SAT training, academic skills training, college visits and assistance with college applications in high school and yearly stipend during college. The program dedicates $10,000 to each scholar – $4,000 for assistance in high school and $1,500 for each year they complete of college.

The economically disadvantaged students in the SSAS program may have had no or low aspirations for going to college. They don’t think college is possible because no one in their family has gone to college and they cannot imagine paying for college or getting in. Most have never been on a campus. Many of these students work in addition to going to school and some contribute to the family income from their salaries.

For these students, trips to higher education campuses are more than the college tours that middle and upper income students might take with their parents. Each of the tours will be arranged by our Academic Coordinator and SSHS Guidance Counselor, Brady Crary, and include presentations by professors, question and answer sessions with the admissions directors and financial aid directors at each college. The trips also include contact with students from disadvantaged families who are attending the college through scholarships and loans.

SSAS aims to create a “culture of college,” not only allowing students to absorb the physical attributes of each college (small private college vs. large university campus), but allowing them to visualize themselves attending college. Talking to students from low income families on these campuses who are successfully attending college will help SSAS students gain faith in themselves and their own ability to succeed.
STUDENT ACTIVITY TIMELINE
SSAS NEWSLETTER
Saratoga Sponsor-A-Scholar (SSAS) Student Activities – Updated 1-4-12

2011-2012

Skidmore College Workshop, Thursday, Nov. 10: SSAS juniors attended an introductory college tour and workshop as part of a series of workshops that will culminate in an overnight visit in August, 2012. The workshop included a campus tour and an HEOP presentation.

Siena College Tour, Wednesday, Nov. 16: Sophomores and juniors attended a campus tour and HEOP program at Siena College with SSAS co-coordinators Brandy Crary and Matt Nelson. The Siena HEOP coordinator and four Siena HEOP students participated in the session, which included a question and answer period for SSAS students.

Hands Off Project, fall 2011: SSAS students Blayne Turner and Jessica Zhen participated in an interactive computer gaming project, Hands Off, with RPI professors and Saratoga Arts, the local arts council. Students visited the RPI campus and met with professors of Computer Visualization and Gaming and Simulation Arts and Sciences. After the games were created, students explained and demonstrated the interactive computer games at a fall fundraiser for Saratoga Arts and at the First Night Celebration on New Year’s Eve, 2012.

Holiday Baking For Charity, Sunday, Dec. 6th: SSAS students and their mentors baked and decorated cookies at the United Methodist Church kitchen. Over 225 cookies were delivered to the residents at the Wesley Nursing Home in Saratoga Springs. Students asked to make Baking for Charity an annual event.

2010-2011

Mentoring Matters at Proctor’s Theater in Schenectady, fall, 2010: SSAS students and mentors attended performances of Young Frankenstein.

Career Visits: Junior Kim Skonieczny visited and observed a third grade teacher Rebecca Pipino at Caroline St. Elementary School. Kim will teach a class with Mrs. Pipino this spring. Senior Stephanie Charboneau and Sophomore Kayla Carero visited the Saratoga Veterinary Hospital and followed a staff veterinarian and a vet tech on their rounds.

Skidmore College Workshop, Saturday, November 13: SSAS juniors attended a Saturday workshop at Skidmore College. The workshop, available to Capital Region Sponsor-A-Scholar and Ballston Spa Sponsor-A-Scholar as well, is part of a series of workshops at Skidmore that will culminate in an overnight visit to the campus in August of 2011.

Siena College Tour, Monday, November 15: SSAS sophomores and juniors visited Siena College in Loudonville with SSAS Coordinator Brandy Crary.
Presentation at Board of Education Meeting December 14th: Three SSAS seniors, Matt Degen, Kaylee Yager and Gabi Batista presented at the Board of Education Meeting. The scholars explained how Sponsor-A-Scholar has helped them to be successful in high school, exposed them to numerous educational and cultural experiences and assisted them throughout the college application process.

Skidmore College Study Skills Workshop, December 8: SSAS sophomores visited Skidmore College after school for a workshop on how to improve their study habits. Students were able to sit in on a college lecture and practice their listening and note-taking skills. They were also provided with strategies to help them improve upon these skills.

Scholars Accepted into the LeaderSpark Program: All SSAS scholars who applied were accepted into the League of Woman Voters of Saratoga County’s LeaderSpark program which is a leadership training program where students will meet for five consecutive Sundays beginning in March. Students will be helping to develop a meaningful community service project and could be chosen to attend the League’s Students Inside Albany conference and meet with State legislators over three days in Albany. Congratulations to the following students who were accepted: Kayla Carero, Mataya Clark, Dakota Closson, Rayvon Cowan, Samantha Harrigan, Rafael Lopez, Luis Parrilla-Osorio, and Blayne Turner.

Financial Aid Workshop for Senior Parents, January 11: Mentor Alan Janosy and SSAS Coordinator Brandy Crary held a workshop for senior parents to give a personalized interpretation of the federal FAFSA applications.

Student Community Service, January 17: a group of SSAS girls and their mentors worked together to make fleece kennel blankets for rescue dogs. The girls will meet again to create more blankets and also plan to walk dogs at the Saratoga County Animal Shelter.

Skidmore College Tour & Presentation, Thursday, February 24: SSAS sophomores and juniors will attend a College Readiness Workshop at Skidmore College during their February winter break. Students will have the opportunity to attend a college lecture regarding “Social Work Values and Populations at Risk” by Professor Peter McCarthy. They will also attend presentations on the admissions process, financial aid, HEOP, and summer special programs.

College of St. Rose College Tour and HEOP presentation, March 21st. SSAS students toured campus and met with Admissions Counselors and listened to an HEOP presentation.

SUNY Adirondack Open House and Career Fair, April 8: Students visited the campus for this open house, toured the campus and attended a fair showcasing various career opportunities and majors that SUNY Adirondack has to offer.
Hudson Valley Community College Fair, May 4: SSAS Students visited the HVCC campus and saw presentations about courses of study HVCC has to offer.

First Annual Scholar Give-Back Day, June 4: SSAS students did three hours of community service, doing trail maintenance in the Hemlock Park area of the Saratoga Spa State Park.

SSAS Graduation Celebration/Induction Ceremony, June 2011: SSAS student Natara Mount, who aspires to be a pastry chef, baked 100 cupcakes (four varieties, from scratch) for the Graduation Party/Induction Ceremony.

2009/2010

Career visit: SSAS students visited FingerPaint Marketing, an award-winning marketing firm in Saratoga Springs NY.

Union College Tour: All SSAS students toured Union College as a group with Academic Coordinator Kathy Kennedy. Students received information on college admissions requirements, courses, financial aid and student life.

Personalized Tours of Colleges for SSAS juniors: Small groups of SSAS juniors and Academic Coordinator Kathy Kennedy toured the College of St. Saint Rose, SUNY Canton, Hudson Valley Community College and Adirondack Community College. Visits were tailored to individual students and their college goals.

Skidmore College Workshops for SSAS Juniors: Students attended a series of four all-day workshops at Skidmore College for SSAS juniors. The final visit is an overnight on the Skidmore campus in August of 2010. The workshops focused on college admissions, financing, and what to expect from college life. Students from Capital Region Sponsor-A-Scholar in Albany, Schenectady and Troy also attended.

Study Skills Workshop: During a Monday homework session, Mary Quandt, an SSAS supporter and tutor from the community, conducted a study skills workshop for SSAS students.

Financial Aid Presentation: SSAS Students, parents and mentors attended an evening presentation at the high school in March, 2010 on Educational Opportunity Programs (EOP/HEOP) for SSAS students and parents by Cesar Canchez from SUNY Albany’s EOP program.

SUNY College Visit: All SSAS students toured the SUNY Albany campus as a group with SSAS Coordinator Kathy Kennedy. Students received information on college admissions requirements, courses, financial aid and student life on campus.
Ben Williams Jazz Concert, SPAC: A group of students and mentors were given complimentary tickets by SPAC to a jazz concert by jazz bassist Ben Williams.

Saratoga ArtsFest, June 10-13, 2010: SSAS students have been provided with student ARTSPASSES, donated by an SSAS Board Member, to the Saratoga Arts Fest, a four-day festival (June 10-13) showcasing the arts in Saratoga Springs. The ARTSPASS allows students free admission to over 75 events, including performances, exhibits and demonstrations. The ARTSPASS also gives students benefits throughout the year with participating organizations.

Mentoring Matters Program – free Tickets to Proctor’s Theater: SSAS is one of several organizations participating in a Proctor’s Mentors Matter Program for Mentors and Students, funded by a grant from First Niagara Bank, which will give complimentary tickets to select performances and events at Proctor’s Theater in Schenectady.
