PLEASE PROVIDE A BREIF DESCRIPTION OF WHAT THE SCOPE OF WORK IS TO BE DONE: _____

HOLD HARMLESS:

The Individual filing this application, to the fullest extent provided by law, shall indemnify and save harmless the City of Saratoga Springs, its Agents and Employees (hereinafter referred to as “City”), from and against all claims, damages, losses and expense (including, but not limited to, attorneys’ fees), arising out of or resulting from the performance of the work covered by this building permit application, sustained by any person or persons, provided that any such claim, damage, loss or expense is attributable to bodily injury, sickness, disease, or death, or to injury to or destruction of property caused by the tortious act or negligent act or omission of Applicant, its contractor or its employees or anyone for whom the Contractor is legally liable or Subcontractors.

_____ **INITIAL**

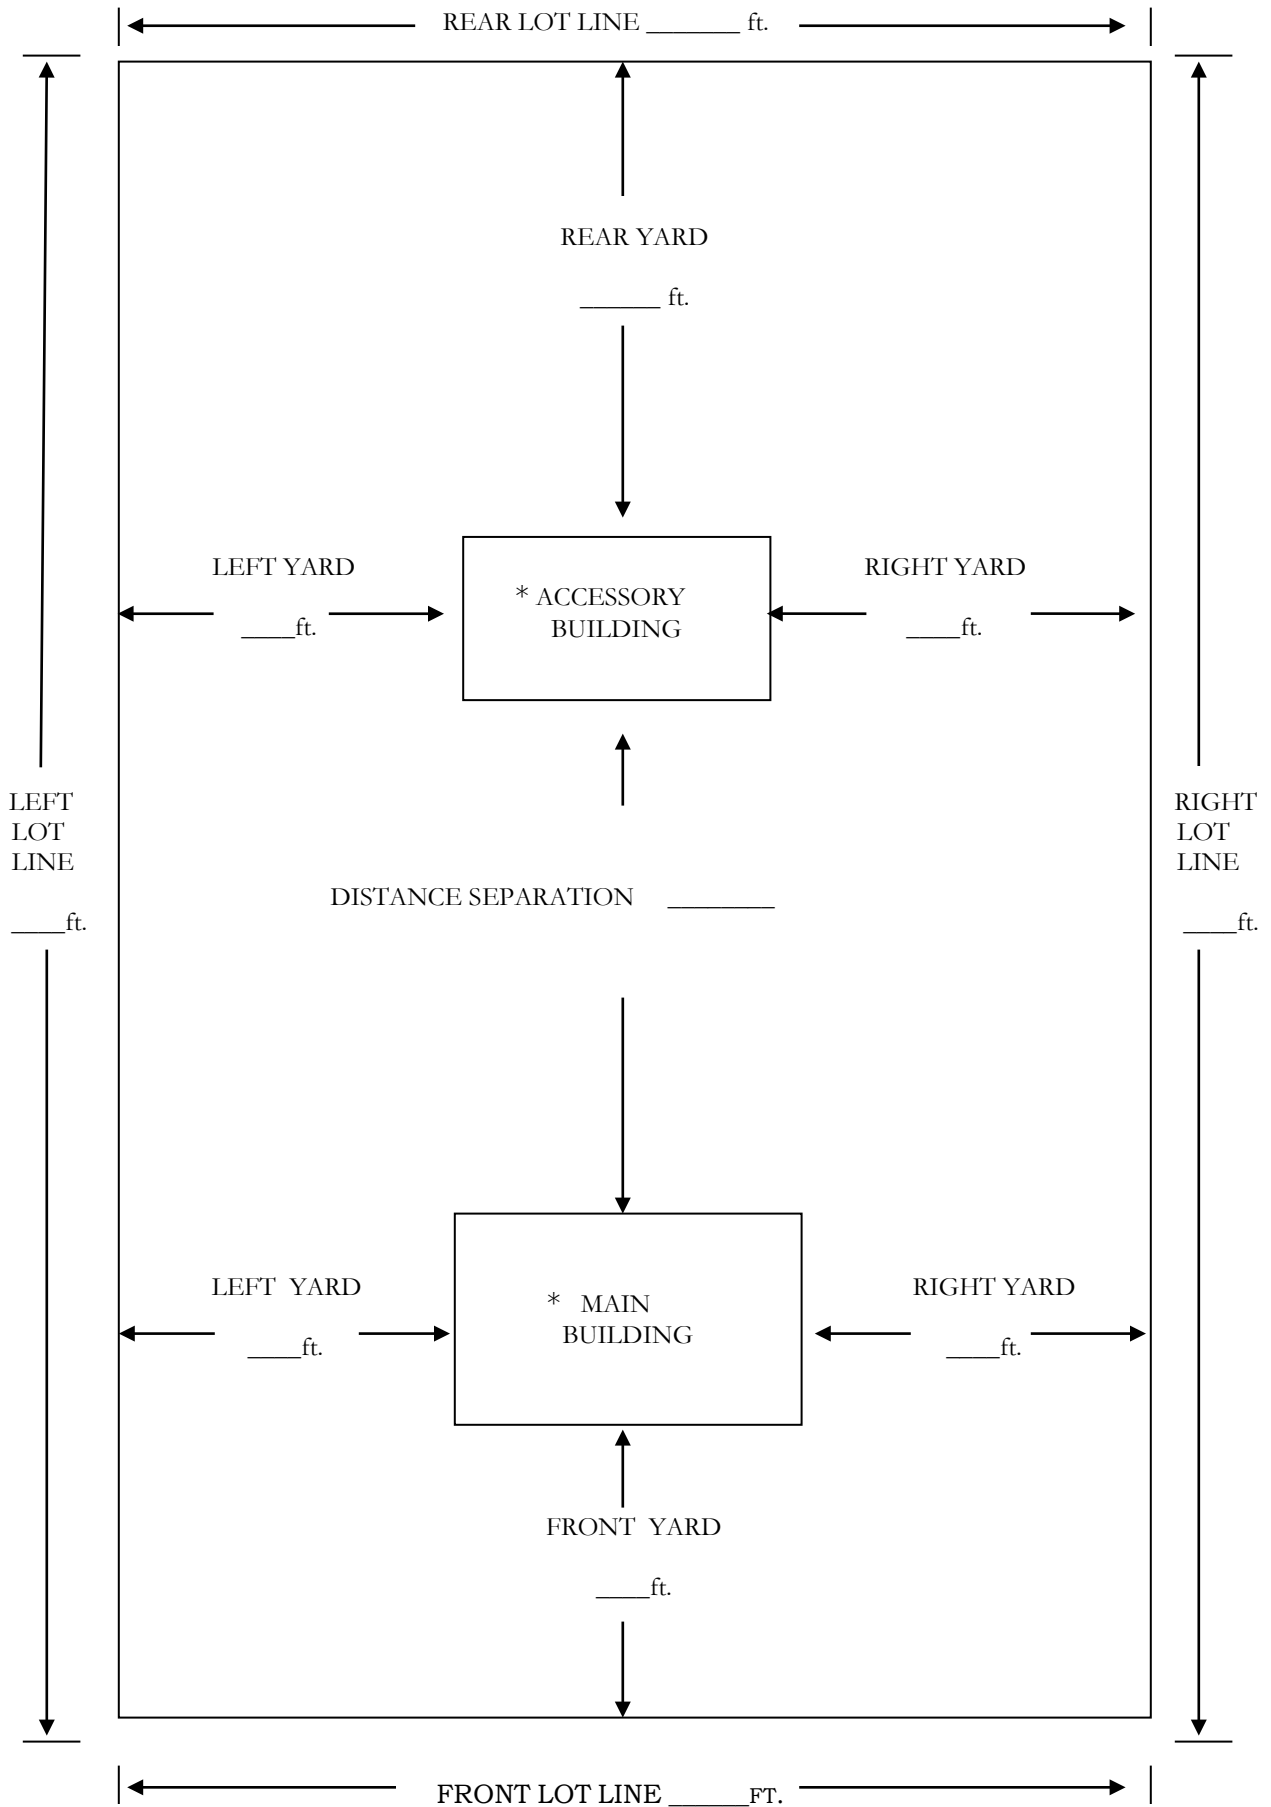

****Please note that all applications granted approval by the Design Review Commission and/or the Zoning Board of Appeals shall expire within eighteen months unless a building permit is issued and actual construction has begun (section 240-7.12)***

Application is hereby made to the Building Department for the issuance of a building permit for construction as herein described, pursuant to provisions of the Zoning Ordinance of the City of Saratoga Springs and in accordance with the N.Y. State Uniform Fire Prevention and Building Code which is applicable to new construction of buildings, and to conversions, additions and alterations to buildings. The owner and the applicant agree to comply with all applicable laws, ordinances and regulations and with all regulations and procedures as explained in this application, and will allow all inspectors to enter the premises for all required and necessary inspections.

The following regulations shall apply:

- A. This application shall be completed including all required signatures and submitted to the Building Department.**
- B. This application must be accompanied by:**
 - 1. Plot plan showing lot dimensions, existing and proposed buildings or structures on the lot and their distances to one another as well as to the lot lines, and all other pertinent details of the property. A copy of a legal survey is required for all new construction and may be required at the discretion of the building inspector for all projects as deemed necessary.
 - 2. One complete set of plans and specifications for the proposed construction, each plan bearing the signature and seal of a New York State Registered architect or licensed professional engineer, (exception: projects where no structural work is necessary and expenditures are minor, in accordance with the State Education Law). For all new construction completed checklists shall be submitted (see attached).
- C. Insurance requirements:**
 - 1. **For general contractors** acting in the capacity of a general contractor: a Certificate of Insurance on an ACCORD form with Commercial General Liability Insurance of One Million Dollars (\$1,000,000) per occurrence aggregate naming the City of Saratoga Springs as an Additional Insured and Certificate Holder.
 - 2. **For Homeowners** acting as general contractors: see Homeowners Insurance Requirements.
 - 3. All applicants must provide proof of NYS Statutory Workers Compensation (form C105.2) and Disability Insurance (form DB120.1) or a waiver of same as determined by the NYS Workers Compensation Board (Homeowners – form BP-1; Contractors – form CE-200).
- D. Application fee as required by the City Code and as calculated by the building department, shall be paid by check or money order (payable to “Commissioner of Finance”). Base Fee \$150.00 plus either \$.25/sf or \$.30/sf (depending on scope of work).**
- E. Work covered by this application shall not commence prior to permit issuance.**
- F. Occupancy of any building or premises to which this application applies shall not occur prior to the issuance of a required Certificate of Occupancy.**
- G. Any deviation from approved plans must be authorized by the approval of revised plans subject to the same procedure established for the examination of the original plans by the building department, including any required fees.**
- H. Building Department shall be notified (minimum notice – 24 hours in advance) according to this required schedule of inspections. (Note; before subsequent inspection requests will be scheduled, all prior inspections shall have passed). See attached card for required inspections included with building permit when issued.**
- I. The building permit is effective for two years from the date of issuance unless a different period of time is specified.**

**City of Saratoga Springs' Building Permit Process
HOMEOWNER INSURANCE REQUIREMENTS**

A **Homeowner** is defined as an individual who is the owner of the home to be renovated or constructed who plans on living in that home and is performing **ALL** of the work themselves. That means that no contractor or individual will be paid any sum of money to perform any work on the project submitted as a "Homeowner Project" for the Building Permit Application being processed.

If you are a homeowner applying for a City of Saratoga Springs' Building Permit and are **performing construction of a personal home project by yourself**, you will need to obtain the following documents when applying for your building permit for the projects specified:

- **Minor Remodels, Sheds, and Ground Floor Decks:** You are required to provide a Certificate of Insurance evidencing proof your Homeowners Insurance acknowledges your project and provides evidence of liability coverage in the amount of Three Hundred Thousand Dollars (\$300,000).
- **New Construction, Major Home Renovations Upper Story Decks, and/or Pools:** You will be subject to the same insurance requirements as a professional, commercially insured contractor. You are required to provide a Certificate of Insurance for Commercial General Liability Insurance in the amount of One Million Dollars (\$1,000,000) per occurrence with a Two Million Dollar (\$2,000,000) aggregate. The insurance provided must be from an insurance carrier licensed & admitted to do business in the State of New York and name the City as an Additional Insured for the building permit process.

The Laws of New York 1998 Chapter 439 require that each building permit applicant provide proof the applicant is in compliance with Section 57 of the NYS Workers Compensation Law by providing proof they are (1) insured (C-105.2 or U-26.3) or are exempt (CE-200). The CE-200 is a Certificate of Attestation of Exemption from the NYS Workers' Compensation Board for Workers Compensation and Disability Coverage. Form CE-200 must be filled out electronically on the NYS Workers Compensation Board's website, www.wcb.state.ny.us, under the heading "Forms". Applicants filing electronically are able to print a finished Form CE-200 immediately upon completion of the electronic application. Applicants without access to a computer may obtain a paper application for the CE-200 by writing or visiting the Customer Service Center at any District Office of the Workers' Compensation Board. Applicants using the manual process may wait up to four weeks before receiving a CE-200. Once the applicant receives the CE-200, the applicant can then submit that CE-200 to the City from which he/she is getting the permit.

Your insurance agent should be consulted prior to your making any application for a City Building Permit. While it may appear to be convenient to obtain a building permit for a contractor or to identify yourself as your own contractor, it is important for you to protect yourself against financial loss and to comply with the NYS Building and Workers Compensation Laws. Your insurance agent will assist you in doing that. Financial penalties are severe if the NYS laws are not followed.

It is important to remember that you must provide all required documents as outlined in this package, BEFORE the City of Saratoga Springs will formally review your building permit application.

If you have any questions regarding these insurance requirements, please contact Marilyn Rivers, Risk & Safety Officer at (518) 587-3550 x2612.
