**\$5,000 - \$10,000 Grants Awarded to Small, City Businesses Severely Impacted by Pandemic**

The COVID-19 Small Business Grant Program (SBG), administered locally by the City's Office of Community Development, was funded by a U.S. Department of Housing and Urban Development grant through the Coronavirus Aid, Relief and Economic Security (CARES) Act.

Award recipients are located within the Saratoga Springs city limits, employ 50 people or less, generated less than \$3.5 million in 2019 annual gross receipts, and were able to demonstrate extreme financial hardship due to the COVID-19 pandemic. Each recipient has committed to preserving at least one full-time-equivalent position held by a person of low-income for a period of at least six months.

The City is proud to extend its warmest congratulations to the COVID-19 Small Business Grant Recipients:
