Saratoga Springs Splash Pads Open

Saratoga Springs, NY – Department of Public Works Commissioner Anthony “Skip” Scirocco announced today that the splash pads are open for public use. The splash pads are located at the Saratoga Springs Recreation Center playground, Veterans Memorial Park on Geysers Road, and in the East and West side recreation fields.

“The weather has cooperated and the warm temperatures will make these splash pads a hot commodity for local families to cool off,” said Scirocco. “I’m optimistic that this is another sign that we can return to normalcy and look forward to kids being able to enjoy our parks.”

Individuals interested in using the splash pads should adhere to the most updated CDC COVID-19 guidelines.

Residents with questions can contact DPW dispatch at 518-584-3356.
