The Shelter can serve at least 8 clients up to 10 clients if necessary. This proposal will help us to continue to provide shelter for the homeless in our community. This grant will help with program expenses and with necessary repairs for extending additional space for clients and their children for counseling and group sessions.

I. Activity Description:

A. The Mother Anderson Emergency Shelter has been established since 1986 providing shelter for women and their children in a safe and secure environment. Each year we see a great need for this service, especially with children. Our service is an ongoing project. Our goal is to provide continuous counseling, parenting skills and job preparation from networking agencies. Rebuilding self-confidence and willingness to make life changes is also part of our goals.

B. We are looking to expand our services by obtaining additional space for group sessions, training, recreational space for children and mentoring programs, etc.

C. Many of these clients are without proper resources. They are low-to-moderate income. Social Services has been a great partner in assisting us in identifying persons in need of assistance.

We have seen many of our clients restore to their families, work places, and becoming independent from the services we provide. The needs are still great, however our efforts for many years has demonstrated the success of this program.

Expanding our facilities will allow us to provide the additional services that the clients need as describe previous. This will allow us to also provide prevention instruction (Homelessness), etc.

This additional space will start around the summer period and hopefully be completed before winter of 2013. This project will entail minor structural repairs and an upgraded furnace. Estimated cost approx. $10,000.00.
II. Organizational Capacity:

A. The Mother Anderson Emergency Shelter was started in 1986. It was the first women's shelter in Saratoga County to address the needs of homeless families. Throughout the years, we have witnessed positive changes in the lives of our clients. We have been able to provide shelter for over 200-300 clients in our 27-year history. Food, clothing, and hygiene services were provided. Ongoing prevention programs (at-risk children, parenting skills, mentoring, and counseling) have been successful.

B. The Officers of the Mother Anderson Emergency Shelter are: Bishop Arnold Byrd - President; Rev. Stelina Byrd - Executive Director; Mr. Rodney Burch - Secretary/Treasurer. The members of the Board are: Juanita Greer, Doris Colford, and Dennis Jones. The above positions are current. Rev. Stelina Byrd and myself are the responsible party that handles the program and financial management of the Activities. Our house monitor is Alfreda, who keeps the shelter to maintain house rules. The contractors for the heating systems will be "One Hour Heating, Cooling & Home Services Company of Glen Falls, and Dave Painting of Saratoga (Carpentry/Painting work)."

D. There are no other agencies/partners involved in this project.
