BE IT ORDAINED by the City Council of the City of Saratoga Springs, New York, following a public hearing as follows:

Section 1 - Name:

This Ordinance shall be known as "Green Acres Planned Unit Development" and amends Chapter 240 of the Code of the City of Saratoga Springs, New York entitled "Zoning" .

Section II - Zoning Change:

The Zoning Ordinance of the City of Saratoga Springs and the zoning map of the City of Saratoga Springs as set forth herein be and the same are hereby amended by changing from the existing zoning district of UR-2 as hereinafter described, and creating within the boundaries of said newly described area a residential planned unit development district to be known and described as "Green Acres Planned Unit Development", hereinafter referred to as "Green Acres".

Section III - Boundaries:

The area of "Green Acres Planned Unit Development" owned by Green Acres of Saratoga Lake, Inc., hereinafter the "Corporation") consists of approximately thirteen (13.2) acres located in the City of Saratoga Springs and is bounded and described as set forth in Appendix A- Legal Description, and Appendix B - Sketch Plan, attached hereto and made a part hereto.

The property is designated on the Assessor's Map of the Outside Tax District as set forth on Appendix C - Tax Map Identification.

Section IV - Purpose:

Historically, the area included in Green Acres developed outside the now applicable zoning ordinance. It is the purpose of this Ordinance to provide a means to establish regulations and limits of residential growth in the already developed area. It is the further purpose of this Ordinance to promote flexibility in the development and design of Green Acres by incorporating this area which has existed and been developed over the last 30 years into the City's zoning ordinance so as to legislative ratify the residential nature of the area and facilitate the use of land, promote good site design and visual quality and result in a more pleasing environment than otherwise possible. The Comprehensive Plan for the City of Saratoga Springs (as revised) proposes that this area be developed as a PUD.

Section V - Uses and Density:

There shall be constructed within the boundaries of "Green Acres Planned Unit Development" residential use types consisting of single family detached dwelling

units. The maximum number of units that can be constructed shall be twenty (20). The maximum number of lots upon which said units can be constructed is nineteen (19). No more than one unit can be constructed upon a lot unless otherwise provided for in this ordinance.

Within the PUD the following uses are allowed:

Single family detached:

Each lot will be established by surveyed descriptions incorporated in this legislation by reference on the attached sketch plan. No further development will be permitted on said lots other than as expressly provided for in this act.

Recreation:

Recreational facilities may be established on the 4.092 acre lot described as remaining lands of Green Acres of Saratoga Lake, Inc., which facilities may include a Clubhouse Center and related recreational amenities (swimming pool, outdoor court games, etc.). PUD site plan approval shall be required for development of the open space and/or common land.

Accessory:

Accessory uses permitted are as follows: private garages, storage sheds, swimming pools, solar/heating/ventilation equipment, private docks (up to 110 feet in length), temporary accessory dwelling, antennas and satellite dishes, home occupation and greenhouses (non-commercial).

Section VI: Ownership, Tenancies and Homeowner's Association:

The PUD shall consist of 19 parcels (totaling approximately 7 acres) leased to corporation members and the remaining land (approximately 6 acres) shall be common space retained by the corporation. The leased lots are surveyed and the lot lines described in the PUD will be the same as the lot lines contained in the members' leases. Green Acres retains the right to convey the leased premises to its members or to other persons in fee simple. The common space shall be maintained by the corporation and expenses for the same shall be paid through revenues generated by the leases to the tenants. In the event that the lots are transferred to individuals, the corporation shall require said lot owners as a condition of the conveyance to agree through association or otherwise to contribute sufficient funds to maintain all common property retained by Green Acres.

Section VII - Sketch Plan:

The attached Sketch Plan, Appendix B, shall be used by the City and the developer as a guide for overall development of "Green Acres Planned Unit Development". It may be amended and modified by the Saratoga Springs Planning Board so long as the use, density and development regulations as set forth in this Ordinance are met.

Section VIII - Utilities:

The entire "Green Acres Planned Unit Development" area will be serviced by municipal water and sanitary sewer lines in the manner directed by the Saratoga Springs Planning Board during the PUD site plan review process.

The water lines shall service all units on Garside Road as well as Garside Road Extension. Access to the water lines on Garside Road and Garside Road Extension shall be insured by Green Acres giving to the City a thirty two (32) foot permanent easement to Garside Road and a twenty (20) foot permanent easement to Garside Road Extension for the maintenance of said water lines.

All water lines shall be constructed to City standards and when completed shall be offered for dedication to the City of Saratoga Springs.

All lots shall continue to be serviced by County Sewer District #1. Said sanitary sewer facilities will be owned and maintained by the Saratoga County Sewer District #1.

Development Process:

Prior to the issuance of a building permit to develop any of the residential lots within "Green Acres Planned Unit Development" (other than a building permit which would otherwise be permitted under the Code) the Corporation shall receive PUD site plan approval from the Planning Board of the City of Saratoga Springs pursuant to Chapter 240-3.5. Such PUD site plan approval shall be limited to road improvements and all other right-of-way improvements, on or off-site, utilities and drainage system and shall be in conformance with Chapter 240-3.5 of the Zoning Ordinance of the City of Saratoga Springs. If in the development of the PUD site plan it becomes apparent that certain elements of the Site Plan are infeasible and in need of significant modification, any significant modification thereof must be approved in accordance with the Zoning Ordinance of the City of Saratoga Springs. Any standard concerning the construction of residential units to be constructed within "Green Acres Planned Unit Development" shall be governed by and comply with the appropriate codes, laws, rules and regulations, including the New York State Building Codes in force and effect at the time of site plan approval for the units to be so constructed.

Once PUD site plan approval has been granted for Phase I, PUD site plan approval shall not be required for any residential lot in the PUD.

Section X - Streets Roads:

It shall be constructed in accordance with city specifications, excluding width, curve radius, turnaround and slope. Its paved width shall be fourteen (14) feet. There shall also be installed along Garside Road wing curbs, along with street lights. No sidewalks will be installed. A permanent easement shall be given to the City for maintenance of the City water lines running under said extension.

Garside Road Extension shall remain owned by Green Acres. It shall be improved by paving of the same to a width of ten (10) feet. A permanent easement shall be given to the City for maintenance of the City water lines running under said extension.

Should any emergency cause the City of Saratoga Springs to operate, maintain or repair Garside Road, Garside Road Extension, or the drainage system in order to protect the health, safety and welfare of the residents, the City Department of Public Works shall be empowered to bill the real property owners of the improved land in an amount to be determined by the Commissioner of Public Works so as to reimburse the Department of Public Works for all expense incurred for such purpose.

Section XI - Off-site Improvements:

The developer, or its successor, shall not be responsible for any curbs, pavement improvements, street trees, street lighting within the existing public rights of ways of that portion of Crescent Street or Kaydeross Park Road that has frontage on the PUD.

Section XII - Phasing:

"Green Acres Planned Unit Development" shall be developed in accordance with the following phasing plan:
